PUBLIC MEETING

**PROPOSED VALENCIA STREET TRAFFIC
LANE CHANGES**

**WEDNESDAY
FEBRUARY 9, 1994**

6:30 pm

**New College Theater
777 Valencia Street**

(between 18th St. and 19th St.)

The San Francisco Department of Parking and Traffic will hold a public meeting to discuss proposed traffic lane changes on the entire length of Valencia Street. The project's goal is to increase safety and provide wider right lanes to reduce bicycle/motor vehicle conflicts. This would be accomplished by widening the right lanes in both directions by 1-1/2 feet, widening the left lanes in both directions by 1 foot, and eliminating the center median. Median traffic signals would be relocated to overhead mast-arm signals. Other alternatives and suggestions will also be discussed.
